## Hatfield Village Watch - time to renew your membership

All members who renewed their membership last year obtained an extra months membership free, a thank you for your loyalty and commitment to Hatfield Village Watch.

You are part of a Village wide watch scheme, the first of its kind based on texts being sent to members directly from the local police. We believe that this is the largest neighbourhood watch scheme in the UK, outside London.

Membership continues to grow, we are hoping to reach the 100 member target for Hatfield and surrounding villages, this year – as we enter year 3 of Hatfield Village Watch.

Hatfield Village Watch is registered with Neighbourhood Watch, from whom we receive the latest news and updates. Members have already assisted in crime detection and arrests - following recent incidents in the area, the Police strongly recommend that any Euro cylinder locks are replaced with British Standard locks.

We have meetings with the local Police, communication is both ways and this helps the Police to understand whats needed on the ground. We have meeting set with the Police Commissioner for May

There are monthly HVW meetings, these are open to all members, sometimes with guests such as local locksmiths, the police or DMBC officers – we attend local PACT meetings and encourage members to also go from time to time.

The Meerkat HVP (WATCH AREA) signs are steadily going up all around the local area.

**Dont forget to renew your membership**

Its easy to join/ renew; (the website is under re-construction)

Make out a cheque to Hatfield Village Plan for £10 or enclose cash in an envelope, drop it in to the Library or to Dafydd Jones, 101, Station Rd (tel. 841527) with your details in the envelope- you can use the tear off strip below.
